### Introduction to today's Scripture Readings

**The first reading** - Elijah, God's messenger, became discouraged and depressed at the resistance he encountered. God permitted this, yet he looked after his messenger.

**The second reading** - 'Do not grieve the Holy Spirit.' It is a sobering thought that we can, in fact, cause grief to God!

**The Gospel** - In the Old Testament, God's people complained even as they were fed in the wilderness. Now, in the gospel, the people are complaining to each other about Jesus, even after he has fed them in the wilderness.

### Larne Parish Events for World Meeting of Families

During the significant week of events in Dublin, including the visit of Pope Francis, we will have two events in Larne to enable us all to participate in the celebrations from our own parish.

#### **Festival of Families Afternoon                      Sunday 19th August**

Time as a parish family to celebrate the forthcoming papal visit with a variety of activities including prayer, reflection and refreshments and lots of fun. We hope that all parishioners will find something in the afternoon programme which appeals to them.

#### **Papal Mass from Phoenix Park                      Sunday 26th August**

The Mass offered by Pope Francis in Phoenix Park will be screened in St. Anthony's Chapel live at **3.00pm** so that we can gather as a community to watch it. Refreshments and treats will be provided afterwards for all who come.

### **World Meeting of Families**

Every parish in the country has just received some tickets that will allow a family to attend the Croke Park Ceremony on **Saturday 25th August** with Pope Francis. If your family would be interested in travelling to this event and representing our Parish please get in touch with Fr. Kerr as soon as you can.

### **The Family Proclaims the Gospel**

'Ships are safe in a harbour,' wrote John A. Shedd, 'but that's not what ships are built for.' Likewise, the Christian family is always essentially outward bound and forms a vital part of God's saving mission to the world.

From the moment a child is taught to pray or to share, to show kindness or compassion, the family engages in its mission to transform the wider human family. As we learn through family life to celebrate difference and individual strengths and insights, to support and forgive one another or to challenge each other in a loving way, we take these lessons out into the world where God has asked us to be light and leaven. The Gospel of the family always directs us beyond ourselves as individuals or families to share in God's plan to reshape humanity into the image of his Son so that they may enter fully into the life of the divine family, that communion of love which is Father, Son and Holy Spirit.

**The Family is...an agent of pastoral activity through its explicit proclamation of the Gospel and its legacy of varied forms of witness, namely solidarity with the poor, openness to a diversity of people, the protection of creation, moral and material solidarity with other families, including those most in need...**  
*Amoris Laetitia, 290 (The Joy of Love)*

### **Prayer**

At the end of each day Lord, may we count the ways we have shown your compassion toward those who have needed our kindness or care. When we experience tenderness, forgiveness and encouragement in our own lives as a family, let us be inspired to carry such acts of love to those beyond our homes. May we grow in understanding of your plan for humanity to live in peace and to gather as one family under your sheltering wings.

Through Christ our Lord.

Amen

*Fr. Paul Clayton-Lea*
